Use as a Benchmark

Employ the CD test as a benchmark to monitor progress. After initial preparation, simulate the full test under timed conditions to evaluate readiness and identify remaining weak areas.

Focus on Weak Sections

Analyze performance on each section and allocate additional time to areas needing improvement. For instance, if listening scores are subpar, dedicate extra practice to audio comprehension.

Incorporate Strategy Sessions

Use the explanations and tips provided to develop effective test-taking strategies, such as skimming techniques for reading or note-taking methods for listening.
